WORK EXPERIENCE

Capstone Project Consultant, Team Lead

Vertex Pharmaceuticals

March 2025 – Present

Rohit Chandra, Boston, MA

- Led a 4-person team to build XGBoost forecasting models that predicted policy-driven prescription demand changes with 85% accuracy across 300+ hospital systems nationwide.
- Designed Isolation Forest model that detected 95+ monthly anomalies across 50 regions, enabling targeted investigation into over- and under-dispensing patterns.
- Delivered 3 interactive dashboards and presented findings to Vertex executives, driving data-informed decisions on regional drug distribution strategy.

Teaching Assistant, Management

University of California, San Diego

September 2024 – Present

Zal Phiroz, San Diego, CA

- Supported instruction for 3 upper-division management courses with 200+ total students, increasing exam performance by 12% through weekly office hours and tailored feedback.
- Graded 500+ assignments and exams, providing constructive feedback that improved student essay scores by an average of 15%.
- Collaborated closely with faculty through weekly meetings to discuss course progress and adapt teaching strategies, resulting in higher course satisfaction scores (avg. 4.7/5).

Procurement Assistant

University of California, San Diego, BFS - IPPS

November 2023 – November 2024

Jasmine Montilla, San Diego, CA

- Facilitated procurement approvals for 50+ department purchase orders exceeding \$100K, aiding refugee shelters and oncology research labs.
- Analyzed 150+ procurement records to identify Independent Contractor usage trends, informing policy updates for vendor compliance.
- Drafted 20+ vendor contracts aligning with UC policy, expediting approval timelines by 30% and enhancing supplier relations.
